[About Brick Wood And Stone](#)

**Brick Wood And Stone** is an internet exclusive.

Brick, Wood and Concrete are digitally printed, giving you the opportunity to add your own personal touch. Colours can be customised, and designs can be printed onto different grounds with stunning results. All designs are available as wallcoverings or window graphics.

If required as a wallcovering, we print onto Digifort fabric-backed vinyl - a specialist print media, or onto any of our standard wallcoverings; from chunky stone textures thru to iridescent and metallic surfaces too. The combinations are endless.

We can print these designs to fit any space. Turn round is fast and there's no minimum order.

See Data Download below for further information. Watch our video to see how digital wallcovering is made and installed.
