About Elli Popp

Katja Behre founded Elli Popp in 2007. Influenced by jungles through to woodland glades, mythical lands and ancient wonders - Elli Popp designs are firmly rooted in nature yet have a somewhat other-worldly appeal. Katja blends her own photography with layers of translucent shadow and colour, creating totally unique effects. Soft watercolours sit alongside deep blacks and blues, vivid greens and earthy browns.

All designs shown here have been created specially for Tektura, and can be scaled up to fill a wall 3m x 5m. They can be cropped, or repeated length-wise to fit a longer wall. Colours can be adjusted, and all designs are available as wallcovering, window film, acrylic artwork and can be printed onto our Zintra acoustic panels. Elli Popp also has her own range of fabrics, cushions, wallpapers

Elli Popp is an internet exclusive.
