by Helen M Strevens - an acclaimed film set designer (The Hobbit, Lord of the Rings, The Lion, the Witch and the Wardrobe). Visit http://www.hmsstudio.com to find out more about Helen and her work at HMS Studio.

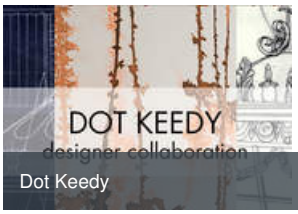

Colours can be customised, and designs can be printed onto different grounds with stunning results. All designs are available as wallcovering, window film, acrylic artwork and can be printed onto our Zintra acoustic panels.

If required as a wallcovering, we print onto commercial quality fabric-backed vinyl - a specialist print media, or onto any of our standard wallcoverings; from chunky stone textures thru to iridescent and metallic surfaces too. The combinations are endless.

We can resize, repeat and print these designs to fit your space. Turn round is fast and there's no minimum order.

See Data Download below for further information.
Watch our video to see how Digital wallcovering is made and installed.
