About Ink Blot

Ink Blot is digitally printed, giving you the opportunity to add your own personal touch. Designs can be printed onto different grounds with stunning results. All designs are available as wallcoverings or window graphics.

All designs are available as wallcovering (from chunky stone textures thru to iridescent and metallic surfaces too), window film, acrylic artwork and can be printed onto our Zintra acoustic panels. The combinations are endless.

We can resize and print these designs to fit your space. Turn round is fast and there's no minimum order.

See Data Download below for further information. Watch our video to see how Digital wallcovering is made and installed.

Ink Blot is an internet exclusive.
