About Jonnie Lawes

Jonnie's designs can be found in fashion, posters, and of course interiors. Having graduated in Printed Textiles and Surface Pattern Design from Leeds College of Art, his love of graphic bold shapes, simple architectural and geometric forms caught our eye. These designs look great at any scale - and can be resized to fit any space.

Jonnie Lawes' designs are digitally printed, giving you the opportunity to add your own personal touch. Colours can be customised, and designs can be printed onto different grounds with stunning results. All designs are available as wallcoverings or window graphics.

If required as a wallcovering, we print onto Digifort fabric-backed vinyl - a specialist print media, or onto any of our standard wallcoverings; from chunky stone textures thru to iridescent and metallic surfaces too. The combinations are endless.

We can enlarge/shrink and repeat these patterns as required. Turn round is fast and there's no minimum order.

See Data Download below for further information.
