About Mylar

We print these designs on Mylar - a high shine mirror finish. Designs are made to order, and can be repeated or resized to fit any space. Alternatively, we can print your own design on Mylar. There's no minimum quantity, and colours can be customised. Available on silver or coloured to mimic a gold finish. Designs can be printed on alternative finishes as required.

Have a look at our video below - this shows how we make our digitally printed wallcoverings.

Mylar is an internet exclusive.
