About Old Masters by Kardo Findlater

Fran Findlater collects art. This eclectic mix of paintings and drawings form part of her family's Kardo Findlater collection, with the pieces here dating back to the 18th and 19th centuries.

We digitally print these images as wallcoverings or window graphics. No detail is removed - every brushstroke, pen and ink line is visible. The character of aged canvas and paper remains. A personal touch can be added with a splash of colour here and there and images can be printed onto different grounds with stunning results.

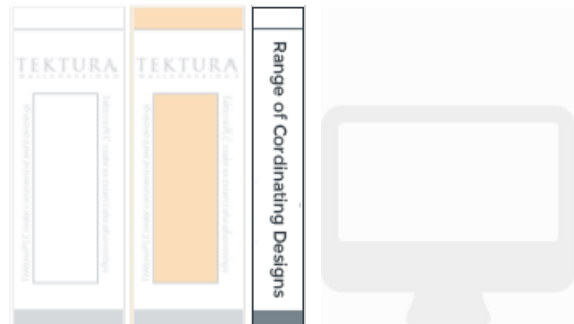

All designs are available as wallcovering (from chunky stone textures thru to iridescent and metallic surfaces too), window film, acrylic artwork and can be printed onto our Zintra acoustic panels. The combinations are endless.

We can enlarge/shrink these patterns to fit your space. Turn round is fast and there's no minimum order.

Apart from her work in the world of art, Fran is also founder of Bounceback, a charity for ex offenders wanting to make a fresh start and retrain as professional painters and decorators.

See Data Download below for further information.
Watch our video to see how Digital wallcovering is made and installed.
