About Stone

Our Stone designs are digitally printed, giving you the opportunity to add a personal touch. Designs can be printed onto different grounds with stunning results, and colours can be adjusted. All designs are available as wallcoverings or window graphics.

All designs are available as wallcovering (from chunky stone textures thru to iridescent and metallic surfaces too), window film, acrylic artwork and can be printed onto our Zintra acoustic panels. The combinations are endless.

We can enlarge/shrink and repeat our Stone designs to fit your space. Turn round is fast and there's no minimum order.

See Data Download below for further information. Watch our video to see how Digital wallcovering is made and installed.
