About Window Graphics

These designs are digitally printed, giving you the opportunity to add your own personal touch. Colours can be customised (excl Trees Green/Yellow), and designs can be printed onto either frosted or clear with stunning results. Many designs are also available as wallcoverings

If required as window graphics, we print onto frosted or clear film. If you would like a wallcovering, we print onto Digifort fabric-backed vinyl - a specialist print media, or onto any of our standard wallcoverings; from chunky stone textures thru to iridescent and metallic surfaces too. The combinations are endless.

We can enlarge/shrink and repeat these patterns as required. Turn round is fast and there's no minimum order.
